## Dedication of Robert Joshua Hay to the Lord

We prayed for your father to have a life dedicated to the Lord. We have prayed for a great wife and helpmate for him. Your mother and father have been an answer to our prayers. They are so excited to have two wonderful sons. Your brother Jonathan was dedicated to the Lord over two years ago. Robert Joshua Hay, today is your day.

As we think about your name and the plans God has in store for you---we see you as strong in character, a mighty warrior for the Lord. May you be the man of God as your name sake in the Bible. Joshua 4:24 "He has done this so all the nations of the earth might recognize the LORD's power and so you might always obey the LORD your God." We pray that Robert Joshua Hay might know the hand of the Lord that is mighty. That Robert Joshua will fear in reverent awe the Lord his God forever. That he will be like Job 1:1 "And that man was pure and upright, one who feared God and turned away from evil."

We love you and know God's hand is upon you. May you know his peace and love and grow in him.

We pledge that as long as we are able we will support you and your brother Jonathan, as you strive for the high calling of Jesus.
